

YOUTH BUILD2017

Tonight, 1.6 billion people in our world will go to sleep without a decent place to call home.

Next summer help transform families' lives forever, and transform your own too!

Habitat NI's Youth Build is a unique opportunity for 16-18 year olds from across Northern Ireland to:

- Build** beside communities in need
- Understand** poverty & global development
- Inspire** long-term support for social justice
- Learn** to work in a team
- Develop** leadership & entrepreneurship

Deadline: Friday 21st October

“The highlight was working with the homeowner families and seeing how committed they are to change. Visiting their current home was an eye-opening experience.”

YOUTH BUILD ROMANIA 2017

Habitat NI's Youth Build will bring together young people from Northern Ireland to work alongside communities on Habitat projects across Romania for 8-10 days next summer.

In Romania many families live in cramped, dilapidated housing. Habitat works beside families and communities on innovative housing solutions ranging from building and renovating homes to advocating for better housing policies.

NEED TO KNOW

The budget to take part is £1,600p/p (including a non-refundable deposit, a weekend residential in NI, travel, in-country expenses, a debrief and a minimum £700 donation towards Habitat's work). There are a range of dates available in June and July 2017. We encourage everyone to make a personal contribution towards logistics costs. There are lots of fundraising resources.

FIND OUT MORE

Come along to an information session:
Habitat ReStore, Ballymena - 11th October at 7pm
Habitat ReStore, Lisburn - 13th October at 7pm
Check habitatni.co.uk for other dates, locations and information
