

Dear Parent/carer (s)

As part of our assessment programme we use several sets of student data to monitor your child's progress and inform our teaching. One of the tools we use is the CAT4 Test from GL Assessment to give us an acute understanding of a student's potential.

This data is considered alongside any other assessments made throughout the year, formal or informal, to inform our teaching. This gives us a very useful report as part of an ongoing assessment programme at the school.

As we take the safeguarding of our student data very seriously, I wanted to take the opportunity to let you know how your child's assessment data is used to continually improve the teaching and learning process at the school.

Please feel free to contact (Miss Magee via 02870344331) should you have any questions or concerns.

You can find out more about this assessment at:

<https://www.gl-assessment.co.uk/products/cognitive-abilities-test-cat4/>

**Information to note:**

- **Your child cannot revise for this test**
- **It would be beneficial for your child to bring his/her own headset/ear phones to this assessment**
