

Coleraine Grammar School Child Protection Policy Summary

- The Governors, Headmaster, Senior Management Team and Staff of Coleraine Grammar School acknowledge their responsibilities under the Children (N.I.) Order 1995 and the Education and Libraries (Northern Ireland) Order 2003 to safeguard and promote the welfare of all registered pupils in their care and to take whatever steps are necessary to protect them from all forms of abuse.
- The Child Protection Policy is based on the fundamental principle, taken from the Children (Northern Ireland) Order 1995, that it is the welfare of the child which must be the paramount consideration.
- The Designated Teacher(s) will assume primary responsibility for all matters pertaining to the Children Order. The Designated Teacher is Mr T A Hamilton and the Deputy Designated Teacher(s) are Mr J Frew, Ms L Magee and Mrs S Taggart.
The Designated Teacher(s), will consult with the Headmaster or other relevant staff before deciding upon action to be taken, always taking care to avoid undue delay. If required advice may be sought from a Child Protection School Support (CPSS) officer. The Designated Teacher will refer all reported allegations to Social Services if this is felt to be necessary.
The Designated Teacher(s) will ensure that appropriate reporting forms are available and will keep copies of these in a secure place. The Designated Teacher(s) and Deputy Designated Teacher(s) will receive child protection training and will provide consultation advice on contacting the child protection agencies where necessary.
- Child abuse occurs when a child is neglected, harmed or not provided with proper care. Children may be abused in many settings, by those known to them or, more rarely, by a stranger.
There are many types of abuse including neglect, physical abuse, sexual abuse, emotional abuse and exploitation. A child may also suffer abuse through deliberate harm.
- Child protection procedures, as outlined in the full policy, will be followed when an allegation is made against anyone who may have had contact with pupils of the school in either a voluntary or professional capacity or when a young person displays indicators which require fuller assessment by Social Services.
- The flow chart on the reverse shows a summary of the procedures if a parent/carers has a potential child protection concern within the school.
- DE Circular 2025/06 sets out vetting requirements for schools. Recruitment procedures will include an Access NI check of the possible criminal background of an applicant who will have substantial unsupervised access to children. Teachers, examination invigilators and Private contracted transport providers (named drivers) must have an Enhanced Disclosure Certificate (EDC) from Access NI before taking up post. With the applicant's knowledge and approval, a standardised form may be forwarded through the Department of Education for Northern Ireland for police processing. In addition, when appropriate, an unofficial enquiry may be made with the applicant's referees.
 - a. All non-members of staff involved in extra-curricular school activities or involved in any other way must be informed that school policy requires checks on their suitability:
 - (a) Pre-employment and Access NI Checks must be completed BEFORE a person can commence regulated activity.
 - (b) The school will obtain an Enhanced Disclosure Check for those working with supervision and those working without supervision.
 - (c) Using a suitable pro forma, references will be sought from at least two sources.
 - (d) The individual may not undertake any school activity until advised by the Headmaster.

If a Parent/Carer Has a Potential Child Protection Concern Within the School:

If you have escalated your concern as set out in the above flowchart and are of the view that it has not been addressed satisfactorily, you may revert to the school's complaints policy. This policy includes the option for you to contact the NI Public Services Ombudsman (NIPSO) who has the legislative power to investigate your complaint. If a parent has a concern about a child's safety or suspect child abuse within the local community, it should be brought directly to the attention of the Children's Services Gateway Team.
